SYNTHESIS

EMERGING CONCEPTS

Based on these findings, identify the next steps that:

- Build on currently active initiatives
- Leverage past investments
- Logically extend the flow and momentum
- Will make the greatest difference

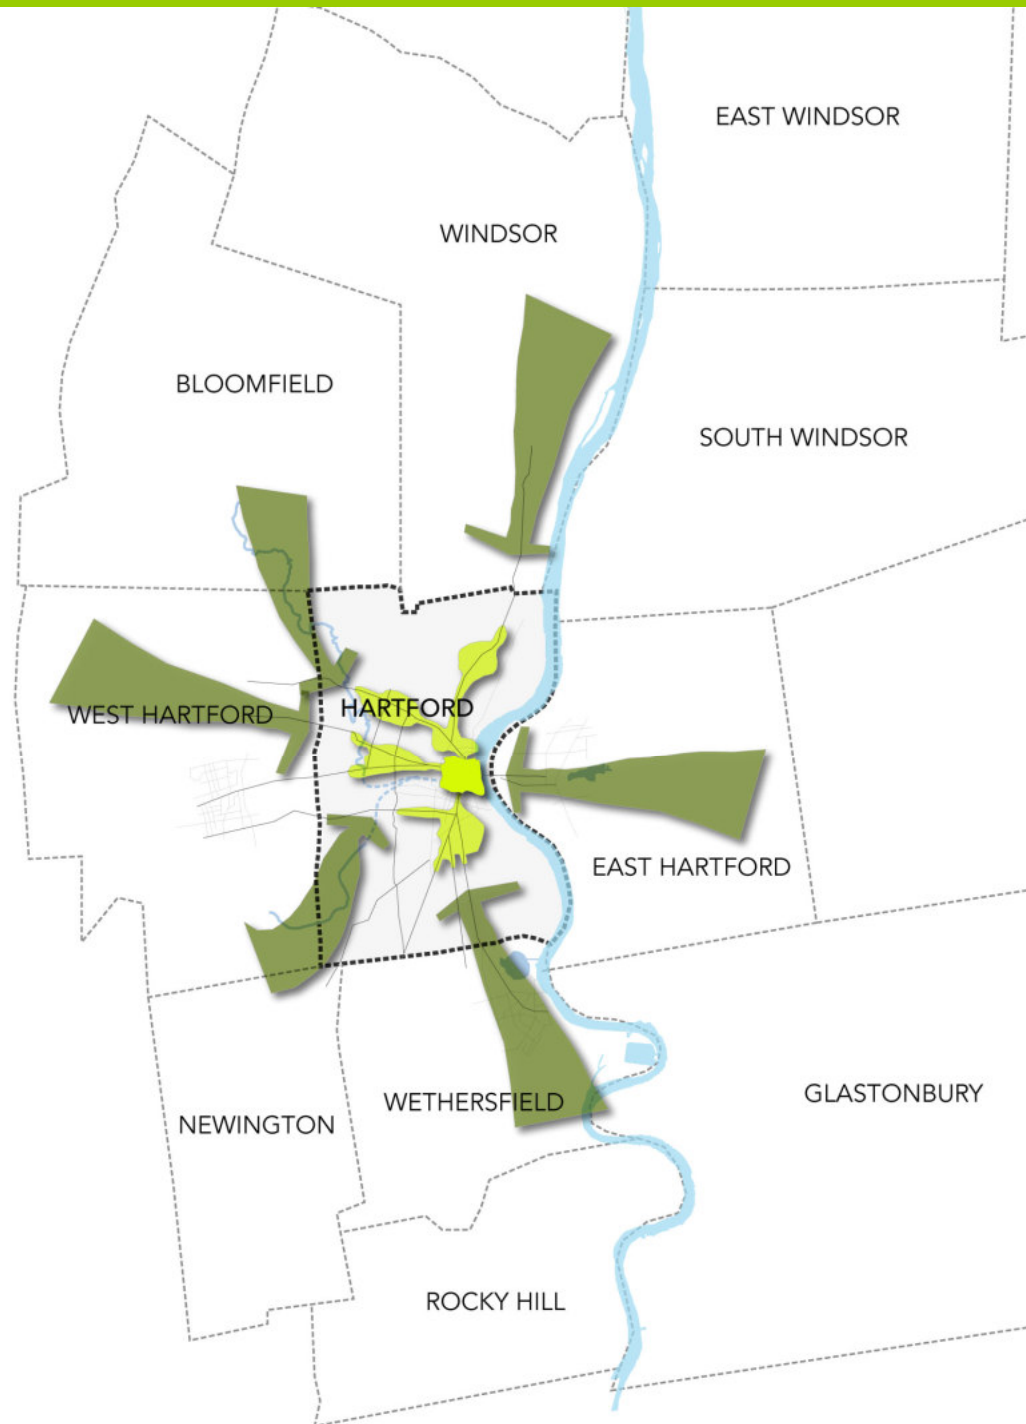

EMERGING CONCEPTS

Two sets of **linked initiatives and opportunities** seem highly promising:

- **"Greenways"** embracing the larger regional watersheds
- **"Focus on Tridents"** expanding out from concentrated efforts Downtown

Together these have the potential to form an integrated network of public realm improvements linking Downtown to the Neighborhoods to the Region

+ **“Strategic Land Resources”**
for significant redevelopment
Provide major opportunities
for strategic growth and
renewal
