McKinney Census August 2009

This is based on the customers that stayed at MCK on 8/25/09

Before coming to McKinney Shelter, 69% of residents reported that their last residence was in Hartford. Thirty or 31% percent lived in another town or state or U. S. Territory, before coming to McKinney.

On August 25, 2009, 21 (23%) of residents at McKinney Shelter were registered sex offenders. Twelve of 21 (57%) listed Hartford as their most recent town of residence. Of those 12, nine (43%) listed the Open Hearth as their last residence. However, only 6 of 21 (28.6%) originated in Hartford (see Table 2). Fifteen or 71.4% of sex offenders' are not originally from Hartford. With one exception all of the offenses committed by those originating outside of Hartford were committed in other towns.
