## *Highlights*

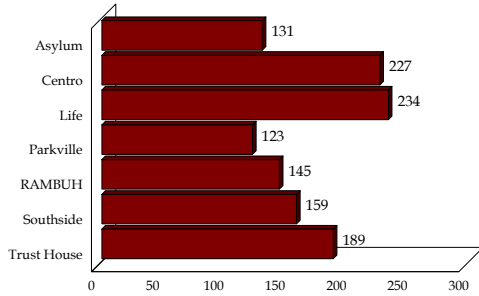

Residents living in the seven communities to be served by Family Centers supported by the Brighter Futures Initiative of the Hartford Foundation for Public Giving were surveyed in March, 2002. A total of 1,208 residents were interviewed from households where at least one child eight years old or younger was living.

- **Characteristics of households**
  - ❑ One (29%) or two (33%) children lived in the majority of households.
  - ❑ Children lived with two parents in 45% of homes and with a single parent in 46% of homes.
  - ❑ About a third of the adults surveyed had more than a high school education (35%); a quarter (27%) had less.
- **Literacy activities with children**
  - ❑ Almost all the parents surveyed (93%) read with their children; two-thirds (62%) did so every day.
  - ❑ Half of the homes (48%) had a computer, and children used the computer in most of these homes (81%).
- **Recreational activities with children**
  - ❑ Two-thirds (66%) of the parents do fun things with their children every day.
- **Children's health care**
  - ❑ About a third of the families have children with health problems; the most common health problem was asthma (75% of families with health problems).
  - ❑ One in seven families (13%) wish they had more food to feed their children or report that their children go hungry because there is not enough food to feed them.
  - ❑ Almost one in five families (18%) have children with special needs.
- **Child care**
  - ❑ Most families (82%) have a place where they can leave their children when they need child care; most of these families (86%) leave their children with family members.
  - ❑ Those who leave children with other than family members report they are very satisfied (82%) with their child care arrangements and believe the place does a good job preparing their children to do well in school (98%).
- **Involvement in children's school**
  - ❑ Almost all of the parents (96%) with children in school have been to the school this year.
  - ❑ Most have been to the school to attend a teacher's conference (76%) and to get a report card (52%).
  - ❑ The majority find the information the school sends home understandable (82%).
  - ❑ Parents feel welcome in their children's school most of the time (89%).
- **Quality of neighborhood**
  - ❑ The majority of people rate their neighborhoods as excellent or good in terms of:
    - ✓ The quality of schools (63%)
    - ✓ After-school programs (55%)
    - ✓ A safe place to raise a family (53%)
    - ✓ Child care for pre-school children (51%)
  - ❑ The majority of people rate their neighborhoods as only fair or poor in terms of:
    - ✓ Places to do things together as a family (56%)
    - ✓ Police protection (53%)
    - ✓ Programs to help children do better in school (51%)

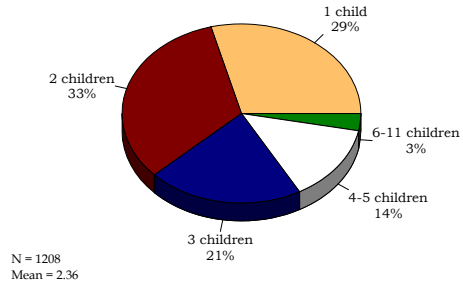

- Sources of support
  - ❑ Almost everyone (92%) has someone they can call on when they need help
- Perception of ability to increase school readiness
  - ❑ Almost everyone (92%) believes parents can do things to increase school readiness for their children.
  - ❑ The majority believe parents can teach children numbers and letters (64%), read to their children (60%), and talk to their children (56%).
- Use of family center
  - ❑ The majority of families report they would definitely use a family center if it provided:
    - ✓ Summer programs for children (77%)
    - ✓ Play groups for preschool children (69%)
    - ✓ Activities for family to do together (66%)
    - ✓ Preschool programs (66%)
    - ✓ Tutoring or homework help for children (65%)
    - ✓ Cultural programs (64%)
    - ✓ Classes to teach parents how to support their children (60%)
    - ✓ Anger management for dealing with children (55%)
    - ✓ Classes on money management (52%)
    - ✓ Leadership training classes (51%)
  - ❑ The majority would definitely or probably use a family center if it provided:
    - ✓ Parenting classes (79%)
    - ✓ Adult literacy classes (66%)
    - ✓ Adult ESL classes (66%)
    - ✓ GED classes (65%)
    - ✓ Prenatal care classes (59%)
  - ❑ The preferred times to use family centers are on weekends (47%) and evenings (43%)
